A Message from Mayor Tim McDonald and the Lacey Township Committee

Steven Kennis
Committee Member

Peter Curatolo
Committee Member

Tim McDonald
Mayor

Mark Dykoff
Committee Member

Peggy Sue Juliano
Committee Member

Reduce what you use, reuse what you can, recycle everything else. Many of us are familiar with the three R's of waste management. The first two tenets are relatively straightforward, but the last involves far more than tossing items into the bin at the end of the driveway. Recycling is not only significant because it keeps millions of tons of materials out of landfills and other disposal facilities, but also because it conserves natural resources, saves energy, and reduces emissions of water and air pollutants, including greenhouse gas emissions. Recycling is also an easy and important way for people to express their commitment to the environment. In addition, recycling plays an important role in our state and national economy. Recycling not only creates jobs, but also generates billions of dollars annually in economic activity.

For more information on the environmental and economic benefits of recycling, visit the NJDEP's recycling website at www.nj.gov/dep/dshw/recycling/env_benefits.htm and www.nj.gov/dep/dshw/recycling/economic.htm.

Tim McDonald, Mayor

CHRISTMAS TREE RECYCLING

Live Christmas Tree Curbside Collection

will begin on Tuesday, January 3rd and will run through Friday, January 20th, weather permitting.

Please remove all tinsel, lights and garland.

If you are not ready to part with your Christmas tree during our collection time, please bring it to the Recycling Center any time during normal operating hours.

Christmas trees are turned into mulch, which is available for free to residents at our recycling center.

PARKS AND RECREATIONAL FACILITIES

Lacey Township is the home of five major parks and eight smaller tot-lots with playground areas and benches. All park, tot-lot and beach facilities are maintained by the Lacey Township Department of Public Works. For your enjoyment, please visit as often as you can.

GILLE PARK

- ~ Located on Manchester Avenue
- ~ Township's Largest Park spanning 34 acres
- ~ Home to Lacey Girls Softball, Lacey Soccer and Lacey Girls Lacrosse
- ~ 4 lighted softball fields and 4 soccer fields
- ~ 4 tennis courts and 3 pickleball courts
- ~ 3 volleyball courts and one basketball court
- ~ Two roller hockey rinks and skate park
- ~ 1 mile perimeter walking path and exercise equipment station
- ~ Newly installed tot-lot and playground
- ~ Picnic pavilion with grills and picnic tables (with power)
- ~ 2 restroom facilities within the park

HEBREW PARK

- ~ Located on Manchester Ave. and Cedar Ave.
- ~ Home to Lacey Soccer and 3 full-sized soccer fields with field lighting available on two fields.
- ~ 1 lighted softball field, 1 basketball court and 3 pickleball courts
- ~ Timber picnic shelter and picnic grove with many tables (Pavilion has power)
- ~ Tot-lot and playground area
- ~ .7 mile perimeter walking path and exercise equipment station
- ~ 2 restroom facilities within the park
- ~ Provides summer recreational camp

CLUNE PARK

- ~ Located off of Beach Boulevard
- ~ Home to Lacey Little League, AYF Football and Lacey Boys Lacrosse
- ~ 3 lighted little league fields, 2 50/70 fields, 1 regulation sized baseball field, and 3 full-sized lighted football fields
- ~ Tot-lot and playground area
- ~ 2 restroom facilities within the park
- ~ Provides summer recreational camp

HUFFY WALLIS PARK

- ~ Located off Parkside Drive
- ~ Township's oldest park
- ~ 1 softball field and 1 basketball court
- ~ Upgraded tot-lot and playground
- ~ Provides summer recreational camp

BAMBER PARK

- ~ Located off Good Luck Road
- ~ Softball and soccer fields
- ~ Newly renovated basketball court and 2 tennis/pickleball courts
- ~ Newly installed tot-lot and playground
- ~ Tot-lot and playground area
- ~ Picnic area and bathing beach open to public

FORKED RIVER BEACH BAY FRONT PARK

- ~ Located at eastern end of Beach Boulevard along Barnegat Bay
- ~ Park was recreated after the destruction of Hurricane Sandy
- ~ 2 tot-lots for ages 2-5 yrs and 5-12 yrs and accessible handicap swing
- ~ Large pavilion with benches and tables
- ~ Exercise equipment area with 16 separate pieces
- ~ Over 1/3 mile walking path with views of Barnegat Bay and benches to rest
- ~ Observation/overlook platform providing views of the bay and Barnegat lighthouse

MEZERA PARK

- ~ Located off Lakeside Drive South
- ~ 2 playgrounds for ages 2-5 yrs and 5-12 yrs
- ~ Scenic views of Barnegat Lake, Lacey's largest lake

ASH ROAD PARK

- ~ Located at Basin and Ash Roads
- ~ Tot-lot and Playground

LAKE BARNEGAT BEACH

- ~ Located on the north shoreline off of Lakeside Drive
- ~ Home of the Wibit Water Attraction
- ~ Beach badges required during summer season
- ~ Lifeguards on duty during summer season
- ~ Restroom facilities available

CEDAR CREEK BEACH

- ~ Located at the west end of Forrest Avenue
- ~ Beach badges required during summer season
- ~ Lifeguards on duty during summer season
- ~ Restroom facilities available

MEADOWLARK BEACH

- ~ Located off Meadowlark Drive
- ~ Unguarded bayfront beach
- ~ Small tot-lot and playground area

DEER HEAD LAKE (3rd Lake)

- ~ Located along Deerhead Lake Drive
- ~ First of 3 lakes that empty into the Forked River
- ~ Excellent location for sunset viewing
- ~ Home of Recreation events throughout the summer season, such as movie nights and concerts

CEDAR LAKE (1st Lake)

- ~ Located along Parker Avenue
- ~ Not open to swimming, but excellent for fishing
- ~ Home of the yearly Fishing Derby
- ~ Newly renovated lighted basketball court
- ~ Parking area provided

ENOS POND COUNTY PARK

- ~ Located at the eastern end of Lacey Road
- ~ Passive park with a large collection of native and rare Pine Barrens plants
- ~ Tot-lot and playground area
- ~ Picnic tables and park benches
- ~ Restrooms available within the park
- ~ Maintained by Ocean County Parks Department

Warmer weather is right around the corner!

Enjoy the upcoming spring and summer seasons by visiting many of our local parks.

Grab your friends and family for a game of soccer, pickleball or basketball. Let the kids swing and slide on one of our many tot-lots or playgrounds or enjoy a leisurely walk along the bay.

SPRING LEAF COLLECTION – 2 CYCLES

THE 1ST CYCLE BEGINS MONDAY, APRIL 17TH AND
THE 2ND & FINAL CYCLE BEGINS MONDAY, MAY 1ST

LEAVES are Mandated Recyclable in the State of NJ, Ocean County and Lacey Township.
They are **PROHIBITED** from being **LANDFILLED**.

THE RULES:

- ⇒ Place your leaves at curbside prior to the FIRST DAY OF EACH CYCLE.
- ⇒ Leaves must be bagged in **biodegradable brown paper bags**, or placed in containers no larger than 32 gallons.
- ⇒ **NO** tree branches, acorns or other debris – LEAVES ONLY.
- ⇒ If we come to your street and your leaves were not out on the first collection cycle, we will not be back until the Next Cycle begins.
- ⇒ It takes the Public Works Department about 2 weeks to complete each cycle.

After the 2nd Collection, Residents are required to bring their leaves into the Recycling Center during normal operating hours.

RESIDENTS PLEASE NOTE: If you are bringing leaves into the Recycling Center in plastic bags, you must empty the bags in the leaf pile and take the empty bag(s) with you for disposal at home. If you are bringing the leaves in biodegradable BROWN PAPER BAGS, leave the bag(s) with the leaves in the leaf pile.

You may bring branches from tree trimming and also shrubs, place these items loose (not tied) in the Brush Pile.
(We do not accept trees, stumps, root balls or invasive shrubs such as bamboo or poison ivy/poison oak.)

Leaves brought in at this time will be composted and brush will be ground down into mulch and ready for you to pickup in the Spring, just in time for you to get your garden started.

CONTRACTORS and LANDSCAPERS can bring Leaves and Brush to the Ocean County Facilities in Manahawkin or Lakewood or to other private companies for disposal. They may charge a fee, so check first.

**WE DO NOT ACCEPT GARBAGE, GRASS, TREES, TREE STUMPS, GRAVEL, DIRT, WOOD CHIPS OR ANY INVASIVE SHRUBS OR VINES SUCH AS BAMBOO OR POISON IVY IN THE RECYCLING CENTER AT ANY TIME FROM ANYONE.
IT IS ILLEGAL DUMPING AND SUBJECT TO VIOLATION AND PENALTIES.**

Rain washes pollutants into storm drains and directly into our lakes, rivers and the ocean.

What can you do to help prevent stormwater pollution?

You're not just fertilizing your lawn.

Follow directions on the bag, do not apply before it rains, and use only when necessary

You're not just washing your car.

Take your car to a car wash where the water gets treated and recycled.

It's doesn't just stay on the lawn.

Properly dispose of your pet's waste by flushing it down the toilet or placing it in a bag and into the trash.

Your car isn't just leaking oil on the street.

Recycle used oil at certified facilities and maintain your vehicle to prevent leaks.

When you litter, it doesn't just stay in the street

Recycle and dispose of your trash properly and responsibly.

VISIT

cleanwaterNJ.org
to learn more about stormwater pollution and how you can help to prevent it.

Happy Father's Day!

Make sure to call the Public Works Department to schedule a pick up for metal items, such as Dad's old BBQ grill, lawnmowers, AC units, basketball hoops, appliances, large TVs or heavy metal items.

Call 609-693-1100, ext. 2301
to schedule your curbside pick up.

Warmer weather means working in the garden, planting flowers and vegetables, and cleaning up the yard of brush and leaves.

You can bring your brush and leaves to the
LACEY RECYCLING CENTER
located at 820 Municipal Lane, Forked River, NJ.

Recycling hours are
Monday through Friday, 7:00 am to 3:15 pm
Saturday and Sunday 8:00 am - 3:45 pm.

MISSION STATEMENT

The mission of the Lacey Township Municipal Alliance Committee is to work with the Police, Schools, Community Groups and businesses to provide community members with quality programs which educate our citizens about drug, alcohol and tobacco abuse and misuse. Part of this mission is also to provide a coordinated approach to advocacy, collaboration and education to promote wellness among all age groups and to keep individuals and families healthy and safe.

PURPOSE

The Lacey Township Municipal Alliance Committee is a coalition of citizens from the business, church and school community as well as members of local organizations. Alliance members work together to develop, plan, and implement programs and activities, which will assist in the prevention of alcohol, tobacco and other drugs (ATOD).

The Alliance receives funding from several sources including the State of New Jersey, through Drug Education Demand Reduction (DEDR) funds, the Township of Lacey and local donations from businesses and private citizens.

The State of New Jersey provides half of the funding for the Alliance through a grant from the Governor's Council on Alcoholism and Drug Abuse. Lacey Township matches the grant through 25% cash match and 75% as an In-Kind (goods and services) donation.

2022 MEETING SCHEDULE

Reaching Out to the Community to Educate & to Prevent Substance Abuse

5K RACE & ONE MILE FUN RUN

Peter Curatolo presents the Harry Papirman 90 & Above Medal to Harry

This year we hosted our 22nd Annual 5K Race and One Mile Fun Run and set another record for our attendance with over 380 runners in the 5K Race alone! Our race continues to be a favorite of the local running community. **Andrew Tatesure of Forked River** came in first place Top Overall for the 2nd year in a row with

Cross Country Team with Mayor's Trophy

a time of 17:26. Andrew also helped the High School Cross Country Team take home the Mayor's Trophy. **Jessica Abbott**, now 14 years old, from Toms River, finished in first place among females with a time of 19:22.

Our volunteers are the backbone of our race. As always, **Robin O'Brien** does a great job putting together our Ad Journal. The "Couch to 5K Class", under the guidance of **Robin Gialanella, Patty Naden, Brandi Rapatski, Tina Kennis**, and other volunteers, spend weeks on hot summer nights helping runners to achieve their running goals. We are also grateful to all our volunteers from the community who come out to help us on the day of the race!!!

Nicole Tamburro returned to lead the Star Spangled Banner

This year, **Nicole Tamburro** returned to lead the Star Spangled Banner however, it was her first time in a Lacey Police Department uniform! **Nicole** has been singing for us for many years and we are so proud to have her join the Police Dept! Members of the Rotary Club of Forked River and several

residents from Sea Breeze helped man our water stops. **Diana Vincentini** returned as Course Leader, affectionately known as the "rabbit". Thanks to all our volunteers! We also appreciate the help we get each year from **Public Works** and the **Lanoka Harbor EMS**. And of course the staff at the **Recreation Office** for their help and support with registration!

We are deeply grateful to all our businesses that have supported the Race through the years. This year our food was donated by **Dunkin Donuts, Manhattan Bagels, Sunrise Bagels and Waretown Bakery** while **Home**

Thanks to the businesses that donated bagels

Depot and Joe Roberts donated water bottles to the runners. Also, **Home Depot** donated a Fire Pit for our Grand Prize Drawing. Many businesses also donate Gift Certificates, which are used for

Tom & Dee's providing tasty treats

For our Diamond sponsors and up, we place a sign with their name along the course and later move them to be visible at the awards ceremony. Topping the list of sponsors this year and donating \$1,000 this year in memory of his brother Tim Santucci, was **Michael Santucci**. **Lacey Moose Lodge**

Joe Roberts Inc. handing out water to runners

#1907 also generously donated \$1,000. Our other Major Sponsors are **Causeway Family Dealerships, D. Gordon Controls, Holtec, Ivy Rehab, Lacey PBA #238, Lacey Elks Lodge #2518, Dr. Dennis Novak, J. H. Roberts Inc., Rotary Club of Forked River.**

Our Platinum Sponsors donating \$300 were:

ADE Heating & Cooling	Laverty Heating & Cooling
Berkeley PBA #237	Plumbing
Hatteras Press	Pride Elite
Dr. Shannon Keyes	Shore Life Designs
Dr. Sam Khammar	Silver Cloud Marina
Integrity Pool & Spa	Michael Tumminelli Assoc.
Lavender Blue	

Diamond Sponsors - \$250 donation

Captain's Inn	Fusciello's
Conca D'Oro	Georgetown Village
Dr. Mickey Deitz of Ocean Eye	Home Depot
Epic Well Drilling	Lavender Blue
Forever Young Nursery School	

Gold Plus Sponsors - \$200 donation

Jersey Mike's	MAX Challenge
Lacey Family Medicine	Stein, Supsie & Tedeschi

Gold Sponsors - \$150 donation

Anthony's Pizza	Riggs Funeral Home
Atlantic Physical Therapy	ReMax at Barnegat Bay
Dasti & Associates	Remington & Vernick
Dasti, Murphy, McGuckin	

Silver Sponsors - \$100 donation

Bacorp Building Group	Shore Smiles Dental
Lacey Auto Care	Stephen E. Smith

Bronze Sponsors - \$75 donation

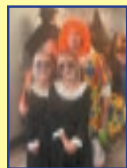

Allstate / Considine Sharer Assoc.	Headz or Nailz
F. R. German Butcher	Lanoka Harbor Marina

HALLOWEEN COSTUME PARADE

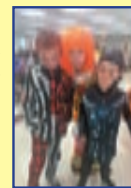

The Alliance has been hosting this fun family event for 22 years however, the venue for was changed this year to the new Lacey Community Center. Over 160 boys and girls Toddlers through 6th Grade circulated through various activity stations, which include pumpkin decorating, crafts, games, mystery boxes, tattoos, monster (popcorn) hands and cupcake decorating. We always enjoy seeing the kids dress up in an array of costumes such as witches, ghosts, animals, superheroes, princesses and vampires!

This year's latest characters were Vecna and Demogorgon from "Stranger Things". After they parade in their costumes, each child gets to pick a prize followed by games led by our DJ. In case you are wondering, adults get in free as long as they are accompanied by a child!

This event would not be possible without the efforts of all our volunteers. We are also very grateful to the many **High School AADA and other students**, who assist with both the set up the day before and help with all the activities during the event. Their assistance as well as Alliance volunteers, are invaluable to our success. We also wish to thank **RFP Produce**, known to most of us as **Lanoka Farms**, for their contributions towards the pumpkins, corn stalks, mums and straw bales. As always we appreciate their generosity.

Please mark your calendars for next year's event which will be held on Saturday, October 21st.

SENIOR CONNECTIONS

Pastor Walter Santos sings DooWop with backup singers Pastor Matt Hass, Paul Quevedo and Jonathan Campbell

The purpose of our Senior Connections programs is to encourage seniors to stay active and "connected" in the community. Studies have shown that people who are socially active are healthier as they age. The Alliance continues to offers monthly luncheons and a weekly exercise program to engage seniors. In addition, we are planning to offer the **Wellness Initiative for Senior Education (W.I.S.E)** program in 2023.

Seniors will meet once a week for 6 weeks exploring how life choices and behaviors can have a significant impact on our quality of life. Each session will be from 1.5 to 2 hours and include breakfast or lunch.

The **Health Ease exercise program 'Move Today'** has become extremely popular on Thursday mornings at the new Community Center. From 9:00 to 10:00 am, Certified Trainers **Joan Topping and Barbara Racz** lead seniors in exercises to help improve balance and flexibility as well as muscle strengthening. These sessions are safe for all seniors.

Our Line Dancing Instructor, **Gerry Marchitto**, recently retired after 10 years! We wish her well as she enjoys spending more time visiting family. Volunteers **Maryann Orlasky** and **Marie Meyer** have agreed to step in until a replacement can be found. The classes continue on Mondays at 11:00 am in the Lacey Community Center.

Mardi Gras Party

We were able to resume our full luncheon schedule in 2022 despite occasional spikes in Covid-19 cases. They are held on the 4th Friday of the month unless there is a 5th Friday. We do not meet in the summer months. November and December are combined and scheduled for the first Friday in December in the Lacey Community Center. We have speakers and entertainment and each luncheon is centered

Halloween Party

around a theme. This year we added a Kentucky Derby theme complete with "hobby-horse racing". A few friendly wagers may have been placed, however, the payouts were candy so no money actually changed hands! The luncheons are a wonderful way to get out, share some laughs and meet new

friends. We do however, insist on calling ahead to make a reservation so we can accurately plan our meals. If you are a Lacey senior, or know someone who would benefit from this program, please let us know. Transportation is available through the Recreation Department if necessary, however arrangements must be made in advance. The schedule for 2023 is as follows:

January 27th	April 28th	September 29th
February 24th	May 26th	October 27th
March 31st	June 30th	December 1st

PROJECT GRADUATION

Project Graduation began as a joint collaboration between the Municipal Alliance and the High School PTSA in 1994. Although the planning has been taken over by the PTSA, the Alliance continues to be a major sponsor of the event. Project Graduation also receives donations from many other businesses and organizations, and of course the PTSA. This event provides an alternative to parties at which alcohol and/or drugs may be available to students. Those who attend agree to remain alcohol and drug free.

Over the years, Project Graduation has been held in various venues however, due to ongoing Covid restrictions, it was moved outdoors to Deerhead Lake Beach in 2021. This year students again were able to come together to celebrate, play games and later kick back in front of fire pits at the beach before heading to Forked River Beach Bayfront Park to see the sunrise. The High School PTSA Project Graduation Committee, headed by **Debbie Gubernat-Smith**, spent an exorbitant amount of time and energy to plan the event. We also wish to thank the Recreation Dept. and the Dept. of Public Works for their assistance with the event and the school district for providing transportation.

MESSAGE FROM THE COORDINATOR

The amount provided through DEDR funding to the Alliances continues to be drastically reduced throughout the state. However, due to the success of the Lacey 5K Race, we've

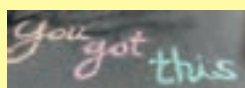

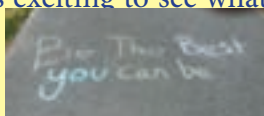

been able to subsidize our programming at nearly the same levels.

Even though the DEDR funding has been cut, we were able to secure a grant from the **Division of Mental Health and Addiction Services**, known as **DMHAS**. The money can only be used towards providing programs for Youth Prevention Coalitions. Since we already have them at the Middle and High School levels, we were able to launch one in the Mill Pond School for 5th and 6th Graders, led by Student Assistance Counselor, **Kelly Brown**. This will expose children at a younger age to prevention messages and help them develop resiliency skills to help reinforce positive behavior.

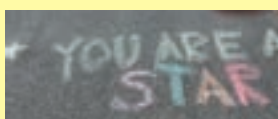

In April, along with the Recreation Department, we sponsored a Family Fun Walk at Gille Park in April. We added an activity we called "Chalk the Walk" which encouraged students to write positive messages

all along the walking path. It was exciting to see what they came up with! We will definitely include this in our Calendar of Events for 2023.

If you would like to join us in our quest to make our community a safer environment for everyone,

our Alliance meetings take place on the **4th Monday of the month in the Recreation Building at 7:00pm except in December**. All are welcome.

Heather Scanlon
MAC Coordinator

P.S. In March of 2022 we were very saddened the passing of **Mayor Nick Juliano**. Although he was a Township Committeeman and Mayor we remember him as a dedicated member of the Alliance. He spent many of his Friday nights volunteering as a chaperone for

our Teen Dances as well as helping with many other activities. Nick was a kind and caring family man who just wanted to help others and always supported the mission of the Alliance.

TASK FORCE

The Task Force was created in 2012 in response to the increasing numbers of deaths due to drug overdoses in our community. Our focus has been to raise awareness and develop strategies to prevent the use and misuse of alcohol as well as various illegal substances. As we resumed our meeting schedule in 2022, our discussions have been concerned with the health of our community especially regarding our youth.

The School District, the Police Department and the Recreation Department have all expressed concerns about the impact of social media and peer pressure on the behavior of some of our students, as well as parent's reluctance to hold their child accountable for their actions.

Officials cite an increase in negative behavior towards authority figures as well as an uptick in vandalism on public property. This now begins at younger ages with students in 5th and 6th grade acting out when they are in larger groups. The Task Force is planning on sponsoring a "**Walking in the Park**" program to help curtail vandalism at Gille Park on weekdays after school dismissal in the spring.

Task Force members include **Tony Angona**, Forked River Rotary; **Kelly Brown**, Mill Pond School Student Assistance Coordinator; **Deirdre Callaghan**, Lacey Elks; **Pastor Jonathan Campbell**, Lacey Methodist Church; **Donna Catlow**, Xodus Recovery Center; **Dr. Vanessa Pereira**, Superintendent of Schools; **Michael DiBella**, Chief of Police; **Adam Ewart**, Lacey Police Dept., **Tom Faulkner**, **Jani Kristbergs**, Village Lutheran Church; **Donna McAvoy**, Hope Sheds Light; **Cecilia Pasqualicchio**, Lacey Library; **Pastor Paul Quevedo**, Forked River Presbyterian Church; **Heather Scanlon**, Municipal Alliance Coordinator; **Pastor Phil Strunk**, Community Christian Church; **Elyse Winkle**, High School Student Assistance Coordinator, **Jim Wioland**, Recreation Director and **Will Zylinski**, Asst. Superintendent of Schools.

SCHOLARSHIP

TIMOTHY SANTUCCI MEMORIAL SCHOLARSHIP

Each year the Alliance awards scholarships in memory of Timothy Santucci, a 1998 Lacey graduate who died in February 2003. He dedicated himself to excellence in both academics and sports while living substance free. Tim also was the D.J. for many of our Prom Breakfast and Project Graduation activities. The Scholarship Committee places a heavy emphasis on community involvement during the selection process. The scholarships are not funded through the grant but rather from fund-raising activities such as our 5K Race. The Alliance awarded seven scholarships totaling \$4,200 to **Hope DeWitt**, **Abigail Fulton**, **Patrick Liebmann**, **Katie Patterson**, **Brennin Smith**, **Trent Stanfield** and **Declan Vidal**.

FALL LEAF COLLECTION – 3 CYCLES

THE 1ST CYCLE BEGINS MONDAY, NOVEMBER 13TH

THE 2ND CYCLE BEGINS MONDAY, NOVEMBER 27TH

THE 3RD & FINAL CYCLE BEGINS MONDAY, DECEMBER 11TH

LEAVES are Mandated Recyclable in the State of NJ, Ocean County and Lacey Township – They are **PROHIBITED** from being **LANDFILLED**.

THE RULES:

- ⇒ Place your leaves at curbside prior to the FIRST DAY OF EACH CYCLE.
- ⇒ Leaves must be bagged in **biodegradable brown paper bags**, or placed in containers no larger than 32 gallons.
- ⇒ **NO** tree branches, acorns or other debris – LEAVES ONLY.
- ⇒ If we come to your street and your leaves were not out on the first collection cycle, we will not be back until the Next Cycle begins.
- ⇒ It takes the Public Works Department about 2 weeks to complete each cycle.

After the 3rd Collection, Residents are required to bring their leaves into the Recycling Center during normal operating hours.

RESIDENTS PLEASE NOTE: If you are bringing leaves into the Recycling Center in plastic bags, you must empty the bags in the leaf pile and take the empty bag(s) with you for disposal at home. If you are bringing the leaves in biodegradable BROWN PAPER BAGS, leave the bag(s) with the leaves in the leaf pile.

You may bring branches from tree trimming and also shrubs, place these items loose (not tied) in the Brush Pile. (We do not accept trees, stumps, root balls or invasive shrubs such as bamboo or poison ivy/poison oak.)

Leaves brought in at this time will be composted and brush will be ground down into mulch and ready for you to pickup in the Spring, just in time for you to get your garden started.

CONTRACTORS and LANDSCAPERS can bring Leaves and Brush to the Ocean County Facilities in Manahawkin or Lakewood or to other private companies for disposal. They may charge a fee, so check first.

WE DO NOT ACCEPT GARBAGE, GRASS, TREES, TREE STUMPS, GRAVEL, DIRT, WOOD CHIPS OR ANY INVASIVE SHRUBS OR VINES SUCH AS BAMBOO OR POISON IVY IN THE RECYCLING CENTER AT ANY TIME FROM ANYONE. IT IS ILLEGAL DUMPING AND SUBJECT TO VIOLATION AND PENALTIES.

Help reduce waste during the Holidays!

★ Opt for reusable wrapping solutions such as cloth bags, old garments, or brown craft paper

★ Forget the single use bows and use natural wrapping papers and decorations, such as pine cones, needles and acorns

★ Reduce single use plastics by gifting reusable straws and wooden toothbrushes

★ Buy rechargeable batteries for those toys and presents, instead of single use batteries

NO PARKING ON SNOW COVERED ROADWAYS!! The Township's efforts to efficiently clear roadways during snow events are often hampered by the number of motor vehicles parked on roadways. Ordinance 323-10 prohibits the parking of vehicles on roadways whenever snow has fallen and the accumulation is such that it covers a township street. Whenever a snow event is anticipated, it is essential that all vehicles are removed from the roadways to allow for the efficient removal of snow and ice.					1  Zone 1 Recycling Pickup	2

Solutions to Stormwater Pollution

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- Use leaves and grass clippings for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

Be a green boater

- Obey no wake zones and other navigational aids.
- Use pump-out stations and vessels, and don't discharge raw sewage into open waters.
- Use non-toxic, biodegradable materials when cleaning, repairing and maintaining your boat.
- Collect paint chips, dust and residue and dispose of it in the trash.

Properly use and dispose of hazardous products

- Do not pour household or commercial cleaning products, including lawn and garden care products, motor oil, antifreeze and paints, down storm drains or into open water.
- Properly label and store hazardous products.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

Take action and be part of the solution

Stormwater pollution is one of Barnegat Bay's greatest threats. By sharing the responsibility and making these small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water in the Bay and saves the high cost of cleaning it up once it becomes dirty.

Solutions to Stormwater Pollution

Actions You Can Take to Protect and Restore Barnegat Bay

Why does Barnegat Bay need our help?

Long appreciated for its great aesthetic, economic and recreational value, an array of human impacts now threaten the health of Barnegat Bay.

Pollution on streets, parking lots and lawns is washed by rain and snow melt into ditches, storm drains, streams, rivers and ultimately, Barnegat Bay.

This stormwater pollution is one of Barnegat Bay's greatest threats to clean water and the rivers and creeks that drain into it. Fertilizers, pesticides, motor oil, animal waste, detergents, grass clippings, yard waste and litter are all examples of stormwater pollution.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need to fertilize.
- Use a drop spreader to apply fertilizer.
- Sweep up fertilizer from pavement and other hard surfaces after applying.
- Do not apply fertilizers if heavy rain is predicted.
- Follow the instructions on the bag label for correct application procedures.
- Try alternatives to pesticides, such as plants that repel insects.
- Properly store fertilizers and pesticide.
- Landscape your property using native vegetation and plants.

To learn more about the proper use of fertilizer, go to www.nj.gov/dep/healthylawnshealthywater.

As a resident, business, or visitor of Barnegat Bay, there are everyday actions you can take to help reduce stormwater pollution.

Clean up after your pet

- Use newspaper, bags or pooper-scoopers to pick up pet wastes.
- Dispose of pet waste in the trash or un-wrapped in a toilet.
- Never discard pet waste in a storm drain.

Don't feed wildlife

- Do not feed ducks, geese, or other forms of wildlife in public areas.

Don't litter

- Place litter in trash receptacles and keep it out of storm drains.
- Reduce, re-use and recycle.
- Participate in community cleanups.

To learn more about water quality and stormwater pollution, go to www.cleanwater.nj.org

To learn more about the Barnegat Bay Ten Point Action Plan, go to www.barnegatbay.nj.gov.

MONDAY & THURSDAY

SOLID WASTE COLLECTION AT CURBSIDE

Solid Waste Collection provided by Meadowbrook Industries (609) 971-7979

Chapter 289 of the Township Code of the Township of Lacey

PREPARATION All garbage and rubbish containing food waste shall be kept in leak-proof, commercially available containers with tight-fitting lids or covers and shall be kept covered at all times, unless the contents of same are being removed or contents are being placed therein. Plastic bags or any receptacle which does not fit the above description shall not be used for garbage and rubbish containing food waste; and if so used, garbage and rubbish container therein shall not be collected.

CONTAINER SIZE 32 gallon containers with a lid and serviceable handles. Containers may not be more than 32 gallons in size due to the fact that garbage collection is done manually.

COLLECTION Containers must be placed at curbside or adjacent to the road if no curbs exists, in a place which is visible and easily accessible for collectors, either the night before or by 6:00 am on the day of collection and removed within 24 hours after collection. The contractor is not required to come back and pick up your garbage if it is set out late and the truck has already passed through your area.

Solid Waste Services include the following:

FURNITURE AND BEDDING Residents are allowed to dispose of 2 furniture pieces per week on regular collection days, preferably the second collection day, as the first collection days are usually very heavy, especially in the spring and summer months. Mattresses and box springs can be put out for collection, provided it is not raining. If it is raining or there is a chance of rain, please cover the mattresses and box springs in plastic

CARPET Approximately 1 room per week (20 rolls max), preferably on your second collection day. Carpet must be tied and bundled no more than 4' in length weighing no more than 50 lbs. per bundle. Cover in plastic if it is raining or if rain is expected.

LUMBER Scrap lumber pieces can be tied and bundled no more than 4' in length, weighing no more than 50 lbs. per bundle. (2-3 bundles max) If pieces are small enough, you can put them in your trash can.

RESPONSIBILITY If your garbage has spilled over and onto the street prior to collection, it is your responsibility to clean it up. The contractor is not responsible for cleaning up garbage that has blown over and spilled onto the street or placed out in plastic bags and torn open by animals.

VIOLATION Any container that does not comply with the above specifications or creates a hazard or danger to the collectors shall be affixed with a red tag. In the event that a container is affixed with a red tag, it shall be a violation to utilize that container for future disposal of garbage, refuse and other rubbish.

WALL BOARD/PLASTER BOARD Only 3 cans or bundles per month weighing no more than 50 lbs. per bundle.

SLIDING GLASS DOORS, TEMPERED GLASS TABLES, MIRRORS Tape up the glass and wrap the entire surface in a heavy duty tarp or blanket, label it GLASS. It will get picked up with regular garbage on your second collection day.

TOILETS Separate the tank from the bowl. It will get picked up with regular garbage on your second collection day.

APPLIANCES, METAL ITEMS, LAWN MOWERS, AC UNITS, BASKETBALL HOOPS, BBQ GRILLS, LARGE TVs Picked up weekly. Please call the Public Works Dept. to schedule a pick up of any of these items. 609-693-1100, ext. 2301

The following items WILL NOT BE COLLECTED at all, it is up to Residents to properly dispose of these items, call the Public Works Department for information prior to setting them out at curbside.

- House clean-outs
- Building and construction materials, fixtures, windows, etc, resulting from major alterations and renovations to properties by owners or contractor's, especially those that required a Building or Demolition Permit
- Concrete, brick, asphalt, asbestos
- Roofing shingles
- Tires and auto batteries
- Paint, motor oil or antifreeze
- Propane tanks
- Trees, earth, root matter, stones and leaves
- Household Hazardous Waste including pool chemicals and fertilizers
- Mandated Recyclables – please refer to Curbside Recycling Collection and/or Recycling Center information
- Electronics including Televisions
- Wood Pallets

It's impossible to list everything. When in doubt, call the Public Works Department first, this will save you time and a visit from the Code Enforcement Officer.

PREPARATION All mandated single stream recyclable items must be loose in cans. No bundles or plastic bags.

CONTAINER SIZE 32 gallon containers with a lid and serviceable handles. Containers may not be more than 32 gallons in size due to the fact that recycling collection is done manually.

COLLECTION Containers must be placed at curbside or adjacent to the road if no curbs exists, in a place which is visible and easily accessible for collectors, either the night before or by 6:00 am on the day of collection and removed within 24 hours after collection. The contractor is not required to come back and pick up your recycling if

it is set out late and the truck has already passed through your area.

RESPONSIBILITY If your recycling has spilled over and onto the street prior to collection, it is your responsibility to clean it up. The contractor is not responsible for cleaning up recycling that has blown over and spilled onto the street or placed out in plastic bags.

VIOLATION Any container that does not comply with the above specifications or creates a hazard or danger to the collectors shall be affixed with a red tag. In the event that a container is affixed with a red tag, it shall be a violation to utilize that container for future disposal of recycling, garbage, refuse and other rubbish.

POSTAL PATRON LOCAL

To Our Lacey Residents and Business Community,

This calendar is provided to you annually and is your reference guide to the Solid Waste and Recycling Rules and Regulations pertinent to our town. All information is accurate as of the day of printing. As the year progresses, there may be changes made in the materials collected at the Recycling Center and at Curbside. If this happens we will post new information on the Township's website, www.laceytownship.org

If you are unsure of what is collectable at curbside or if you have an abundance of Trash that you are disposing of, please call us at 609-693-1100 ext. 2301 for specific answers to your situation.

Lacey Township remains consistent in its effort to reduce the volume of materials it sends to the Landfill and it's only with your participation in our Recycling Program that this is possible.

We appreciate you and wish you the very best in 2023.

Best Regards,

Lacey Township Department of Public Works and Recycling

Please remember to recycle this calendar in your curbside bin at the end of the year.

*DISCLAIMER - While all events in the calendar are scheduled to occur at the time of printing, all are subject to change or cancellation. Please check the town's website, www.laceytownship.org or check the Recreation Department's Facebook page @lacey.recreation for any updates.
